This is Rey.

Rey lives on a planet called Jakku.

Jakku is hot and sandy.

A big battle was fought there
a long time ago.

On Jakku, Rey explores
the old ships.

She looks for broken things.

Then she fixes them.

Every day, Rey trades the things
she finds for food.

She trades with an alien
named Unkar.

Unkar is not always fair.

Rey takes the food back to her home.

She does not have a family.

Rey is alone.

The background image is a dark, atmospheric photograph of an industrial or mechanical interior. On the left, a control panel with a grid of buttons and a coiled yellow cable is visible. A large, curved metallic structure dominates the center and right. The lighting is low, creating deep shadows and highlighting metallic textures.

One night, Rey was eating dinner.
She heard a beeping noise.
It sounded like a droid.
The droid sounded scared.

Rey ran toward the noise.

She found a mean alien.

The alien had trapped
a little droid in a net.

The droid beeped at the alien.

The droid wanted to escape!

A detailed illustration of Rey in a workshop or hangar. She is wearing her signature tan, layered tunic and has her dark hair tied in a bun. She is looking down with a focused expression at a droid that is partially visible on the left. The droid is covered in a dark, draped net. The scene is lit with warm, golden light from the left, creating strong highlights and shadows. Various mechanical parts and tools are visible in the background.

Rey told the alien to stop.

She did not want the droid
to get hurt.

The alien did not want to fight Rey.

He left her and the droid alone.

Rey took the net off the droid.

The droid said his name was BB-8.

“What are you doing here?”

Rey asked.

BB-8 wouldn't tell her.

He said it was a secret.

Now that BB-8 was safe,
Rey tried to go home.

But BB-8 did not want her to leave.
BB-8 did not want to be alone.

Rey agreed to take BB-8 with her.
But she said BB-8 could stay for
only one night.

The next morning,
Rey took BB-8 into town.
She wanted to trade with Unkar
for more food.

Unkar offered to trade Rey a lot of food for BB-8.

Rey needed food.

But she needed a friend more.

“The droid is not for sale,”
Rey told Unkar.

Unkar was very angry.
But Rey did not care.

Rey is not alone anymore.

BB-8 is not alone anymore.

Now Rey and BB-8 have each other.
